The Sino-British Weiqi Event

Saturday 7th September 2013, 13:00 to 18:00 Free Admission

"Weiqi (also known as Go) is a board game for two players that originated in China more than 2,500 years ago. The game is noted for being rich in strategy despite its relatively simple rules. According to chess master Emanuel Lasker: "The rules of Weiqi "Go" are so elegant, organic, and rigorously logical that if intelligent life forms exist elsewhere in the universe, they almost certainly play Go""
